

Malvern Winter Intramural Program TEAM HANDBALL RESULTS
Tuesday, February 14

Team 1, captained by Rich Chakejian, 15

The Harvards, captained by Martin Guerra-Garcia, 9

Brendan McPoyle was very impressive as the top shooter in the game with 5 goals for the TEAM 1 Chakejians. The finely-oiled machine steam rolled to victory after a pesky THE HARVARDS team kept it close for awhile. Andy Pancoast was devastating with his power play and other scorers for TEAM 1 were Britt Kershner, Matt Brown from out of goal, and Connor McNeil. Matt Brown and Jon Rava was fantastic in goal.

Martin G was the power scorer for THE HARVARDS. Adam Pinos was good in goal and Julian Gaasche had some Bernie Parent-type saves to keep the game in reach.

Thanks to Tony Nichols & Russ Atkinson of the IC for being the game officials and Chris Tiberi for being the scorekeeper.

Jets 13

Subs 8

In Game #2, the JETS, captained by Denis Ostick coasted again to a 13-8 victory over a team of subs who played because THE DRAGONS, Captained by Sam Schmucker did not show up. The Gentile brothers, Jimmy and Brandon, were once again very good in goal. This total team oriented victory saw the goal scoring shared by all THE JETS as perimeter passing strategy lead to the shared goal production efforts by the high octane JETS. Pat Giampietro however did stand out with two remarkable scores-----The first ever TEAM HANDBALL "Ambidextrous Power score" & the "ALLEY OOP (or oops!) patented goal.

The contest was officiated by Chris Tiberi and Colin Sweeney.
